757 MOHAMED ISMAIL SHERIFF, *Gl. Secy.*

OFFICE OF THE CHIEF CONCILIATOR IN MYSORE, BANGALORE.

No. C. C. 25 & 34—46, dated 21st July 1947.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General Department, Bangalore.

Sir,

I have the honour to make the following report under Section 12 (4) of the Mysore Labour Act, relating to a dispute between the Minerva Mills Labour Association, Bangalore City, and the concerned Mills Management, in regard to two conciliation cases, on separate Notices of Change, given by the said Labour Association, putting forth several demands as stated below.

I. Conciliation Case No. 25—46 :—

There is only one demand, viz., Payment of three months' wages as "High Price Bonus" immediately (in addition to the Dearness Allowance) and its continuance year after year till the prices get down to pre-war level.

II. Conciliation Case No. 34—46 :—

Eleven demands, *viz.*, (1) Desiring payment of a minimum wage of Rs. 1-4-0 per day per worker. (2) Payment of Dearness Allowance to workers on holidays and "played off" days also. (3) Payment of Bonus every six months immediately the half year to which the Bonus relates, is over. (4) Amendment of Standing Order No. 20 and the appointment of a Committee consisting of three Representatives, one from the Association, one from the Management and one from Government, to dispose of cases relating to misconduct of workers. (5) Starting of a Provident Fund Scheme. (6) Grant of twenty-six days' privilege leave and sick leave with half pay extending to a period of three months and extension of leave without pay, on Medical Certificate. (7) Reinstatement of workers dismissed in 1942 as well as of those dismissed subsequently. (8) Payment of wages for the period of stoppage of machines for repairs or for want of ready beams. (9) Confirmation of temporary workers. (10) Providing facilities for the collection of subscriptions and (11) Payment of half the wages to a worker under treatment due to accident in addition to compensation under the Workmen's Compensation Act and taking him to his original appointment, if medically certified to be fit or grant him such work as he could efficiently handle.

2. The Secretary of the Labour Association gave to the concerned Mills two Notices of Change, one in respect of each of the above referred cases desiring several changes on the above issues and set out below. There are in all 12 items of demands. As the Management could not accept any of the demands of the Labour Association, and wrote to the Assistant Commissioner of Labour, Bangalore Division, (who contacted the Management in this respect) that no useful purpose would be served by furnishing their remarks on the demands
